- Medical robotics & AI healthcare tech
- Consumables & disposables
- Digital health & telemedicine solutions
- Healthcare Services & Solutions
- Pharma Logistics & Cold Chain
- Startup & Innovation Zone

Concurrent Event

IPHEX
12th INTERNATIONAL
PHARMACEUTICAL
EDITION EXHIBITION

IMED 2026 - India Medical Devices Expo is a large-scale B2B exhibition where companies will showcase medical equipment, healthcare technologies, and diagnostic solutions. Exhibitors will have the opportunity to launch their latest products, build strategic partnerships, and explore cutting-edge innovations in healthcare.

IMED 2026 - International Exhibition on Medical Devices, Surgical Equipment's, Diagnostic and Healthcare Services is a dedicated B2B exhibition platform conceptualised and to showcase allied segments of the medical and healthcare ecosystem, while maintaining strict category alignment to be held on 7th – 9th July 2026 at Bombay Exhibition Centre Goregaon, Mumbai Maharashtra, India with the main theme "Medical Devices: Supporting Life, Enhancing Care, Better Treatment"

INDIA MEDICAL DEVICES EXPO VISION

"To establish IMED -India Medical Devices Expo as a premier global platform that drives innovation, collaboration, and growth in the medical devices industry, positioning India as a leading hub for advanced healthcare technologies."

OBJECTIVES OF IMED

The India Medical Devices Expo is organized with the following key objectives:

- Showcase the latest medical devices, technologies, and innovations
- Promote business networking and strategic partnerships within the industry
- Facilitate buying and selling opportunities between exhibitors and buyers
- Provide knowledge-sharing platforms, including seminars, workshops, and training sessions
- Encourage global trade and international collaborations
- Contribute to improving healthcare quality and patient outcomes
- Support the overall growth and development of the medical devices industry

Event Highlights

200+
EXHIBITORS

10,000+
VISITORS

10,000+
VISITORS

5+
BUSINESS NETWORKING
ACTIVITIES

General Medical Devices (Low Risk)

- Thermometer (digital/mercury)
- Stethoscope
- Blood pressure monitor
- Syringes & needles
- Bandages, gauze, cotton
- Surgical gloves & masks
- Wheelchairs

Diagnostic & Imaging Devices

- X-ray machines
- MRI & CT scan machines
- Ultrasound machines
- ECG / EEG machines
- Blood analysers
- Glucose meters

Surgical & Operation Theatre Devices

- Surgical instruments (scalpel, forceps, scissors)
- Anesthesia machines
- Ventilators
- Surgical lights
- Electrosurgical units

Cardiovascular Devices

- Pacemakers
- Cardiac stents
- Defibrillators
- Heart valves
- Cardiac monitors

Orthopaedic & Implant Devices

- Knee & hip implants

- Bone plates & screws
- Prosthetic limbs
- Spinal implants

Medical Consumables & Disposables

- IV sets & cannula
- Catheters
- Disposable syringes
- Surgical drapes
- PPE kits

Neurology & Brain Devices

- EEG machines
- Brain stimulators
- Neuro-monitoring devices

Ophthalmic & ENT Devices

- Intraocular lenses
- Slit lamps
- Hearing aids
- ENT surgical tools

Advanced & Digital Medical Devices

- Robotic surgery systems
- AI diagnostic tools
- Wearable health devices
- Telemedicine systems
- Hospital management software

In-Vitro Diagnostic (IVD) Devices

- PCR test kits
- Pregnancy test kits
- Blood test kits
- Reagents & lab kits

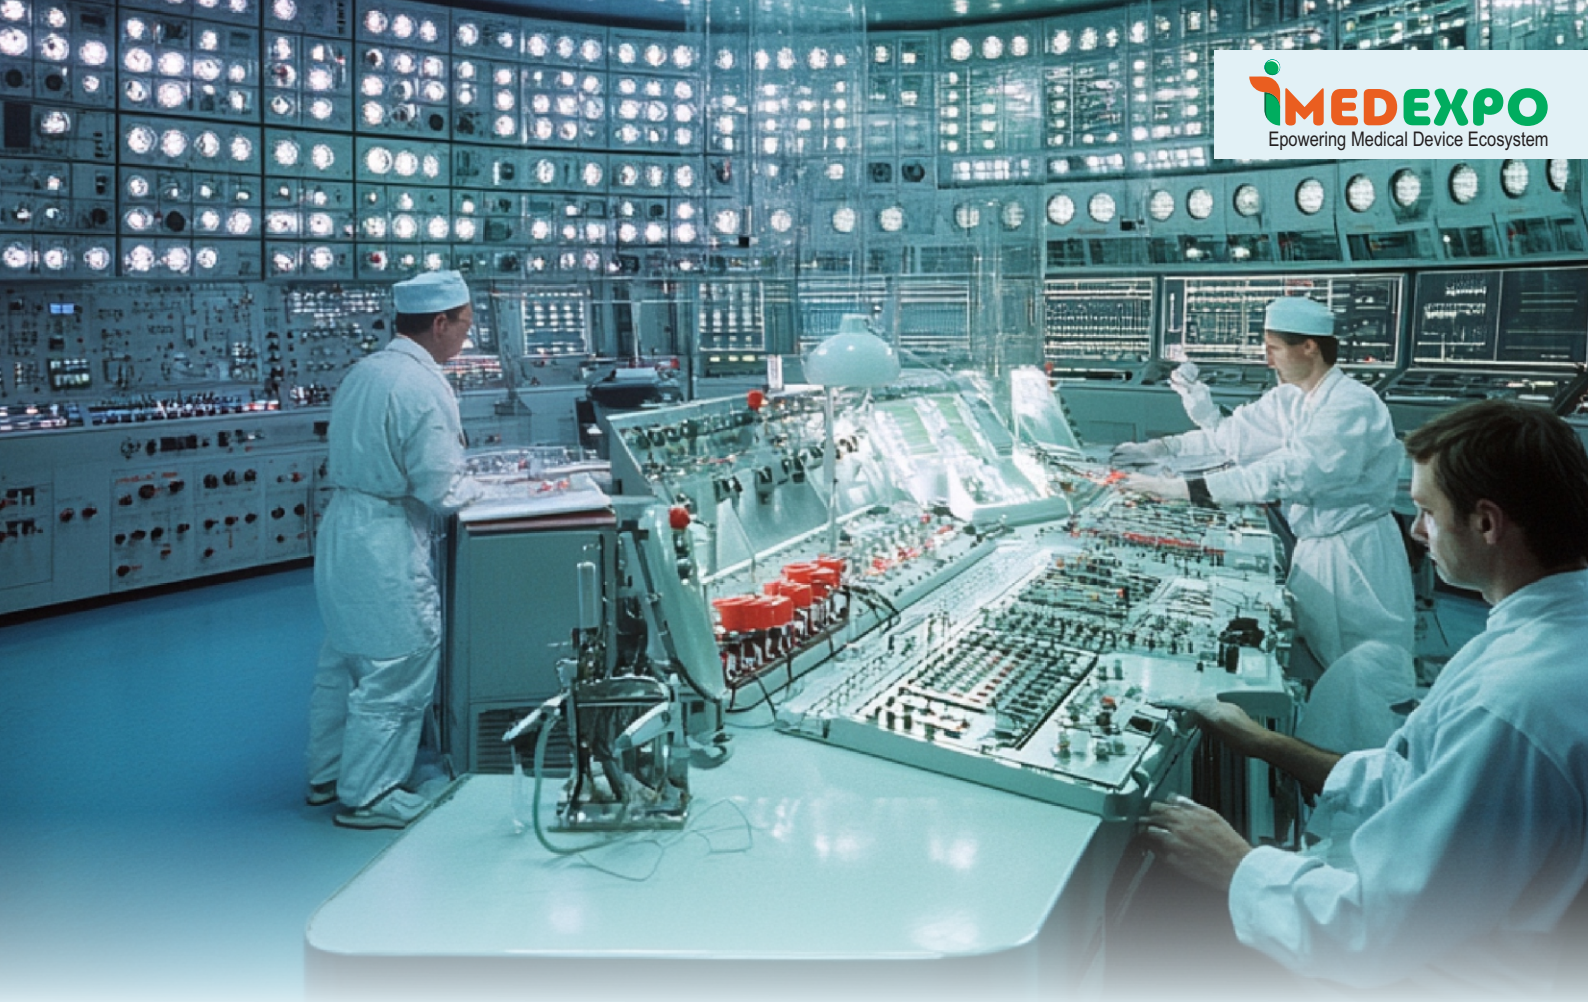

VISITORS PROFILE

- | | | |
|--------------------------------|---------------------------------------|---|
| • Medical device manufacturers | • Nurses & paramedics | • Startup founders |
| • Hospitals & Clinic Owners | • Engineers & product developers | • International healthcare agencies (WHO, World Bank, etc.) |
| • Medical device Suppliers | • Importers and Exporters | • Medical students |
| • Healthcare Professionals | • Dealers, Distributors & wholesalers | • Researchers & universities |
| • Doctors & physicians | • Retailers & supplier | • Government & Procurement Agencies |
| • Surgeons & specialists | • Diagnostic Labs & Technicians | |
| • Dentists | • Investors & Business Entrepreneurs | |

BENEFITS OF PARTICIPATION

- | | |
|---|--|
| • Meet high quality prospects and decision Makers | • Network with Industry professionals |
| • Brand Building opportunity among industry | • A platform to engage with a diverse, international audience. |
| • Direct interaction with industry suppliers, buyers and distributors | • Interactive sessions with potential clients and partners. |
| • Access to an extensive network of professionals. | • A platform to launch new products |
| • Connect with international industry participants. | • Explore Joint Ventures & partnerships |
| • Showcase your latest technologies, products and services | |
| • New import & export opportunity | |

INDIAN EXHIBITION SERVICES (IES)

Indian Exhibition Services (IES) is a leading exhibition organizing company in India, actively involved for several years in creating strong business platforms through B2B exhibitions, seminars, conferences, buyer-seller meetings, and other trade promotion activities. We have been continuously engaged in the development of MSMEs, providing effective business promotion platforms for small-scale industries to showcase and promote their products. Our core objective is to create a strong bridge between buyers and suppliers within the MSME ecosystem, enabling sustainable business growth and long-term partnerships.

The core strength of Indian Exhibition Services lies in acting as a reliable connector between buyers and sellers. Every event organized by IES has been a resounding success, aligned with our commitment to maintaining international standards in delivering high-quality, professionally managed, and value-added exhibitions and events. In addition, IES actively works with corporates and large industries, offering powerful trade exhibition platforms to promote their products, strengthen brand value, and accelerate business growth through well-curated industry-focused events.
